Madame / Monsieur,

The Faculty of Law, University of Cergy-Pontoise hosts over 3000 students and provides training at the levels of Bachelor, Master and Doctorate. This is a dynamic and prestigious department ranked 3rd in the National Assessment Division of the Ministry of Education and in 1st place in Ile-de-France after investigation by the magazine "l'Etudiant".

The School of Law was honored twice (2010 and 2011) by the French-American Commission and the U.S. State Department that awarded the prestigious Fulbright-Tocqueville Chair for hosting prominent American professors (Professor Leila Sadat in 2011 and Professor Louis Wolcher in 2010).

All our courses have been rated A to A + when evaluated by experts from l'Agence de l'Evaluation de la Recherche et de l'Enseignement Supérieur (AERES) under the Ministry.

Anxious to spread French law, the Law School has established an **LL.M. in French and European law Taught in English**.

This is a single national diploma, accredited by the Ministry of Higher Education and taught in English by a prestigious faculty. It is for graduates of non French jurisdictions and foreign professionals living in France or doing business with French partners eager to acquire a high level of legal training experience in law from the French and European Union.

The LLM also offers two specializations:

- Law and Business Ethics (France, Europe, International)
- Business Law and Taxation (France, Europe, International)

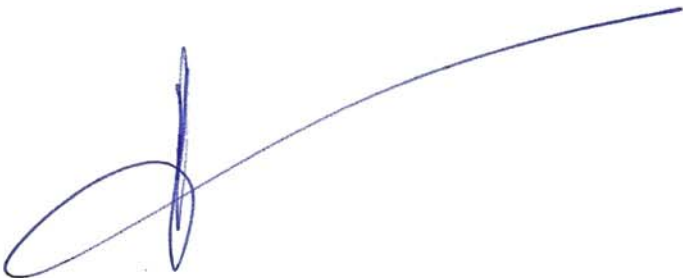

Information and the application are available on our university website:

Please find attached a detailed presentation.

We currently promote this training and would very much appreciate your help to better inform members of your network.

The team of the Faculty of Law is available to answer any questions.

Thanking you for your valuable cooperation and please accept, Madam, Sir, the assurances of my respectful consideration.
