Entry Requirements

Exchange students should be in good academic standing in their own university and comply with our application process deadlines. Architecture students need to provide their portfolio during the application.

Language Requirements

IE University requires all applicants to demonstrate competence in the English language by providing one of the following certificates:

TOEFL 80 (iBT) / IELTS 6.5 / CAE / CPE

* If English is the student's native language it is not necessary to provide a certificate.

**If English is the student's language of instruction at their home institution they do not need to provide an official certificate. A confirmation letter from their home institution will be accepted instead.

For students wishing to take courses in Spanish, they need to prove a minimum level of B2 CEFR. **Please note that there is a reduced offer for Spanish taught classes.**

IEU Enrollment – Fast facts

1 ECTS credit = 25 hours of work, including classes and related academic activities.

Maximum ECTS credits per semester: **30 + 3** language credits. *Minimum enrollment credits are set by home institutions.

First come first serve system applies during enrollment and we **cannot guarantee the availability of any course!**

Some courses have prerequisites and students need to make sure they comply with them before enrolling. Academic information such as syllabi will be available on IE Campus (blackboard) to which students will receive access upon admission.

Language courses:

Students who are interested in taking a language course at IEU need to complete a **placement test** to receive the correct authorization of enrollment according to their level.

Add & Drop:

Starts on the first day of class in both semesters and students will have approximately a month to make enrollment adjustments. They will receive **3 additional enrollment tries** but they have to be aware of the **20% A&D** rule. After **more than 20%** of the sessions have passed, courses can no longer be added or dropped.

Attendance & Absences:

Attendance to **at least 70 %** of classes is **mandatory!** Schedule **overlap higher than 30%** is not allowed due to the absence policy.

If students reach the 30% absence limit, they are required to contact the corresponding bachelor to justify the absences. Failure to justify these absences will translate into a failed class.

*IEU Labs are optional. There is a **mandatory intensive period in June.**

IE University – [Mentoring and Counseling](#)

The IEU Mentoring & Counseling department provides resources and support to help students achieve and maintain an equilibrium between their academic obligations, extracurricular activities and social life. International students who experience distress or have issues adjusting to Spain can refer to our Head Mentors to seek guidance.

IE University - [Student Services](#)

The Student Services department supports students with immigration and relocation procedures, aiming to make the transition to Spain a bit smoother.

[Immigration:](#) The International Mobility department provides international students, who require a study visa for their exchange, the official admission letter (in Spanish) directed to their corresponding Spanish consulates.

[Medical Insurance:](#) Health insurance coverage is necessary for all students in Spain but more so for international students, who apply for a student visa, as they will be asked to provide this during the visa application process.

Living in **[Madrid](#)** or **[Segovia](#)**: Students are advised to start their accommodation search early, as soon as they know what campus they are nominated to. Looking into housing options early will ensure a better fit for student's needs and expectation.

IE University - [Campus Life](#)

Campus Life coordinates extracurricular life and helps students integrate into the IEU Community. They are in charge of Sports, Debates, Social Clubs, Academic Clubs, Entrepreneurship and the Arts Institute.
