

Module Selection Instructions for Incoming Exchange/Visiting Students

At XJTLU we call the individual subjects that you will study modules. They are sometimes called classes or courses at other universities. Students normally study 20 credits each semester.

Your module selections should have been approved by your home university before you submit them to XJTLU.

Module selection procedure:

1. Pre-selection: In Mid-May, you will be given e-Bridge (student information system) login details. You will then be required to pre-select your modules on e-Bridge. You should select 40 credits in order of preference, in case of time clashes or full classes.

Steps: 1 logon to E-bridge → Programme and Module → Module Pre-selection

2. Confirm your modules and timetable: In Mid-June, you will be asked to check your timetable on e-bridge, drop off those modules that have timetable clashes, and confirm the final list of modules you will be studying at XJTLU
3. Make changes of modules selections: before the end of week 2, you can still make changes of your module selections if any of them are not the right level for you. Module changes will not be possible after Week 2.

Module catalogue and specifications:

Please look at our module catalogue and module specifications here: <http://modules.xjtlu.edu.cn/>

In the specifications of each module, you can see whether it is available in Semester1 (Fall Semester) or Semester 2 (Spring Semester).

You will be using the previous year's module catalogue to select modules, so you need to be aware that some modules you select may not be running the following year when you study at XJTLU.

Modules for different levels:

The first number in the module code refers to the undergraduate level 0, 1, 2, and 3 at XJTLU. Undergraduate degree courses at XJTLU are 4 years with a general education level 0. Degree specific content is taught according to the 3 year UK norm at XJTLU level 1, 2 and 3:

XJTLU Bachelor's Degree Programmes	Bachelor's Degree Programmes in England
Level 0	
Level 1	Year 1
Level 2	Year 2
Level 3	Year 3

The first number for Master's modules is 4.

The first number for non-credit-bearing modules is 9.
