RAU has its own **Theatre**, which is jointly run by the university students and teachers. RAU Theatre organizes its own casting twice during every academic year. Successful students engage in the activities of the student theatre, which performs not only at the university, but also in other theatres of Armenia and abroad. RAU Theatre goes on tours to theatres in Russia and other countries, also, it has become award winner of various student theatre competitions. Leading theatre experts and artists are frequent guests of RAU Theatre and conduct workshops for the students.

The Voice of RAU is an annual singing competition among RAU students. There, talented students take to stage to showcase their musical ability. All the concerts are held in the Grand Hall of RAU, which has the capacity of hosting more than 500 people and is fully equipped according to highest standards. Students are free to use the Hall as a resource any time.

The Sports Complex of Russian-Armenian University offers a wide variety of sports and exercise facilities. The complex has indoor and outdoor facilities for any kind of sports activities. Outdoors, there is a large multi-use field suitable for football, basketball, volleyball and tennis. Indoors, the gym, table tennis courts, fitness hall are located. The complex is fully furnished with separate locker rooms and showers. The Complex is open to RAU students, staff and alumni and is free of charge

Equipped with separate reading zones, RAU library is open to students and staff for study and research through the day. It is equipped with e-database and catalogues and is constantly updated with scientific literature, fiction and non-fiction. RAU library has the widest collection of Russian scientific publications in Armenia.
