2023 Winter Virtual School Dates

Application Dates

November 27, 2023 (Mon)

~ **December 8**, 2023 (Fri)

Program Dates

December 22, 2023 (Fri)

~ **January 16**, 2024 (Tue)

- The online courses are free, and students can request a certificate upon completion.
- Students may request a Transcript of Records to be recognized by their home universities according to their individual standards. Ask your university about credit transfer availability.
- Lectures are available virtually through the Kyung Hee University E-campus system at <https://e-campus.khu.ac.kr>

Admission Requirements Before You Apply

- You should be an undergraduate or graduate student at an accredited college or university. We will ask you to provide a certificate of enrolment.
- Virtual School consists of KHU credit-bearing courses. However, your home institution may or may not accept them as credits towards your degree. **Consult with your home institution about credit questions.**
