<b>KGU-Sponsored Scholarships</b>	Exchange students can apply for a scholarship through KGU along with their application to KGU. Applicants will be informed if they will receive the scholarship roughly a week before arriving in Japan. However, there are circumstances in which students may not be informed until after their arrival in Japan. Note: Please be informed that the number of available scholarships has decreased over the last several years, and that applicants should not expect to receive a scholarship. All students must plan for financing their exchange without the help of this scholarship.
