

Global Virtual Business Competition

Who can join?

Globally-minded students interested in real-world challenges and working on global teams should apply. All sessions will be arranged virtually online. **There is no cost to participate.**

What will I learn?

The program will include working with a diverse group of students around the world and addressing UN Sustainable Development Goals. Academic credit may be granted by your home university or college.

When is the competition?

The competition will take place over an engaging three weeks between July 15 and August 2. Student teams will meet each week. Final presentations will be made on August 2.

How can I participate?

Interested students should complete the application by May 31. Please use the QR code to submit your information. After receiving your application, we will review and confirm your participation.
