ACADEMIC RECOGNITION PROCEDURE FOR OUTGOING ERASMUS EXCHANGE STUDENTS

Academic recognition process for mobility activities of Erasmus students is automatically started once the student is returned and submitted his/her final documents including Statement.

The student who returned after completing his/her Erasmus period abroad submits to the Department of International Cooperation the Transcript of Records issued by the host university and its Statement on the further processing of his documents. A copy of this Transcript of Records and Statement is sent to the Department for the Educational Process Organization in order to proceed with relevant Institute/ Faculty.

The Department for the Educational Process Organization prepares the draft Order on academic recognition based on the appropriate tables from Learning Agreement on and the Transcript of Records given by the host University. The draft Order is then sent to the relevant Institute/Faculty that checks and signs the final Order.
