HARBIN INSTITUTE OF TECHNOLOGY

Winter Short-term Chinese Language Program

The short-term Chinese language and culture course lasts for 4 weeks, focusing on Chinese language learning and cultural experiences.

The program has strong language application and practicality, with prominent traditional cultural elements.

Enable students to apply their language skills in a real cultural context

Other
Activities

Participants will immerse themselves in Chinese culture through a variety of activities designed to broaden their experiences

**Harbin Ice and
Snow World**

**Visit HIT Museum &
HIT Space Museum**

Other Activities

Participants will immerse themselves in Chinese culture through a variety of activities designed to broaden their experiences

Traditional Chinese Cultural Experiences

Traditional Costumes, Paper cutting, Origam, Painting Fans, Drawing Faces, Fish Skin Painting Experience.

Chinese Language Practical Activities

Chinese Language Practical Activities help students better understand and apply the knowledge they have learned, while also gaining a better understanding of local culture and life.
